REQUEST UNDER 37 C.F.R. § 1.48(a) TO CORRECT INVENTORSHIP

Dear Assistant Commissioner:

On March 7, 2001 Applicants filed the subject application using an Express Mailing filing. An Oath and Declaration was submitted listing Iris M. Plaxton, Samuel J. Rauch and John H. Osman as inventors. Through no deceptive intent and an inadvertent error, two additional inventors should have been listed in addition to the originally named three inventors. Additionally, Andrew A. Bjorksten and Jason M. Bennett should also be named as inventors of the claimed subject matter. Applicants therefore request correction of inventorship under 37 C.F.R. 1.48(a)(1) to recite the following five inventors:

I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as first class mail in an envelop addressed to: Assistant Commissioner for Patents, Washington D.C. 20231 on:

Applicants are herein submitting a statement from each person being added as an inventor stating that the error occurred without deceptive intent. No one originally named as an inventor is being deleted as an inventor.

Applicants are also herein submitting a fully executed oath by all five inventors, which is also in response to a Notice of Missing Parts created by an unsigned original oath.

To date, no assignment has been executed by any of the original named inventors.

Having fully complied with the requirements of 37 C.F.R. 1.48, Applicants request the entry and correction of this inventorship change. The processing fee of \$130.00 for a large entity associated with processing this inventorship change may be charged to Deposit Account No. 13-4773. One copy of this page is enclosed for deposit account purposes.

Respectfully submitted,

A handwritten signature in cursive script that reads "Robert L. King". The signature is fluid and extends to the right, with a long, sweeping tail.

STATEMENT TO CHANGE INVENTORSHIP UNDER 37 C.F.R. § 1.48(a)(2)

Dear Assistant Commissioner:

On March 7, 2001 an Application containing claimed subject matter in which I am a co-inventor was filed without naming me as a co-inventor. My omission from being named as an inventor was inadvertent and did not involve any deceptive intent either on my part or on the part of any of the named inventors. I believe that the inventorship of the claimed subject matter should be modified by adding myself as an inventor along with adding Jason M. Bennett.

I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as first class mail in an envelop addressed to: Assistant Commissioner for Patents, Washington D.C. 20231 on:

Respectfully submitted,

A handwritten signature in black ink that reads "Andrew A. Bjorksten". The signature is written in a cursive style with a large initial 'A'.
